

## English including Grammar

### Fiction

The Butterfly Lion-we will be reading this book as a class and using it as inspiration for various pieces of fiction writing, such as diary entries and writing a set of instructions.

We will also be using Talk for Writing to learn a Roman myth and then create our own.

### Non-fiction

Researching influential people and writing biographies

Spelling, grammar and punctuation will be taught on a daily basis and will be incorporated into all writing.

## ICT and Computing

We will use the computers and iPads to research people to write a biography about.

We will also be making use of different apps on the iPads in class.

## Mathematics including Arithmetic

### Number and Place Value

Reading and writing numerals in numerals and words up to 1000, recognising place value of digits in 3 digit numbers, and comparing and ordering numbers up to 1000.

### Addition and Subtraction

We will continue to develop our knowledge of the column method for addition and begin to use it for subtraction.

### Geometry

We will be drawing and recognising 3D shapes.

### Measures

We will be looking at units for measurement and working on telling the time.

Year: 3

Term: Spring 1

## Science

This term we will continue to learn about animals (including humans), and nutrition. We will learn that animals, including humans, need the right types and amount of nutrition, and that they cannot make their own food; they get nutrition from what they eat

We will learn that humans and some other animals have skeletons and muscles for support, protection and movement.

These lessons will be taught by carrying out a variety of investigations.

## Art & DT

This half term Year 3 will use sketch books to record their observations when drawing. They will improve their mastery of drawing techniques using a range of materials. They will also learn about great artists in history.

## Mood and Movies.

In this unit we will explore how music can create and affect a variety of moods. We will look at movie soundtracks and the types of moods they create. The children will be given the opportunity to create a movie soundtrack.

## History & Geography

This half term we will be learning about the Romans. We will explore how they invaded and settled and find out about how they lived, including food, dress, leisure and art.

## PE

Our coaches will teach PE. They will be teaching gymnastics.

## Spanish

The children will continue to learn Spanish and learn basic vocabulary.

## RE and PSHCE

PSHCE-Celebrating Differences' look at different cultures, religions, different communities and the vibrancy this brings to life.

In R.E we will be looking at the different religions around the world.
