

English including Grammar

Fiction

We will be looking at *The Lion, The Witch and The Wardrobe* this half term. We will use Talk for Writing to learn parts of it and invent our own stories.

Non-fiction

Researching influential people and writing biographies using Talk for Writing.

Spelling, grammar and punctuation will be taught on a daily basis and will be incorporated into all writing.

ICT and Computing

We will use the computers and iPads to research people to write a biography about. We will learn about internet safety. We will also be making use of different apps on the iPads in class.

Year: 3

Term: Summer 1

Inventions!

Mathematics including Arithmetic

Number and Place Value

count from 0 in multiples of 4, 8, 50 and 100; find 10 or 100 more or less than a given number and we will solve number problems and practical problems involving these ideas

Addition and Subtraction

We will continue to develop our knowledge of the column method for addition subtraction, looking at mastery.

Geometry

We will be drawing and recognising 3D shapes and using nets to create them.

Measures

We will be looking at units for measurement and working more on telling the time to the minute..

Science

Our topic this half term is **light**. We will learn that we need light in order to see things and that dark is the absence of light. We will learn that light from the sun can be dangerous and how to protect ourselves. We will investigate shadows and the patterns they make through several different experiments. **These lessons will be taught by carrying out a variety of investigations.**

Art & DT

Print and Textiles

Children will explore printing techniques using a variety of resources and materials. They will also be trying simple sewing skills.

Music

Year 3 will be learning to play the recorder this term. They will also be learning to sing different songs with other classes and adding percussion instruments to make the music more exciting.

History & Geography

This half term we will be learning about inventors. We will study people from history who have made significant contributions both nationally and internationally. We will be inspired by their achievements and discuss and order their inventions on a timeline.

PE

Our coaches will teach PE. They will be teaching gymnastics.

Spanish

The children will continue to learn Spanish and learn basic vocabulary.

RE and PSHCE

PSHCE-Celebrating Differences' look at different cultures, religions, different communities and the vibrancy this brings to life.

In R.E we will be looking at the different religions around the world.
